Each day at 3:45 p.m. the teams will perform their routine segments that they have learned for the day.

Please note, this is our **LAST** camp we will be offering. After many years of enjoying the youth of Litchfield and watching all the kids grow, I am thankful that Litchfield offered me the opportunities to see many of the kids go through cheer camp and on through high school. Since many of the kids that I have coached now have families of their own, it is time to spend my vacation days with my family who have been very supportive throughout the years.
